Copyright of the articles to which records in this database refer is
held by the publishers listed in the PUBLISHER (PB) field (available
for records published or updated in Chemical Abstracts after December
26, 1996), unless otherwise indicated in the original publications.

FILE COVERS 1907 - 26 Jan 2002 VOL 136 ISS 5
FILE LAST UPDATED: 25 Jan 2002 (20020125/ED)

    This file contains CAS Registry Numbers for easy and accurate
    substance identification.

    This file supports REGIstRY for direct browsing and searching of
    all substance data from the REGISTRY file. Enter HELP FIRST for
    more information.

CAplus now provides online access to patents and literature
covered in CA from 1907 to the present. Bibliographic
information and abstracts were added in 2001 for over 3.8
million records from 1907-1966.

CAS roles have been modified effective December 16, 2001. Please
check your SDI profiles to see if they need to be revised. For
information on CAS roles, enter HELP ROLES at an arrow prompt or use
the CAS Roles thesaurus (/RL field) in this file.

The CA Lexicon is now available in the Controlled Term (/CT) field.
Enter HELP LEXICON for full details.

Attention, the CA Lexicon is the copyrighted intellectual property of
the American Chemical Society and is provided to assist you in
searching databases on STN. Any dissemination, distribution, copying,
or storing of this information, without the prior written consent of
